

# How to Create a Desktop Shortcut to the EZ Referral

- STEP 1** — Go to [www.mtiamerica.com/ez-referral/](http://www.mtiamerica.com/ez-referral/)  
Click the three-dot icon (...) in the top-right corner of the window  
Then hover your mouse over **More tools** and click **Create shortcut**

- STEP 2** — click **Create**  
You can check the **Open as window** box to have the website open in its own browser window.

## Done!

Finally, you will see your shortcut on the desktop
